

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

April 3, 2012

The Center for Assault Treatment Services (CATS) at Northridge Hospital Medical Center provides a 24 hour a day, 7 day-a-week program for victims of sexual abuse and assault of all ages in the San Fernando and Santa Clarita Valleys of Los Angeles County. The CATS program is designed to assure and promote dignity and respect for these unfortunate victims, minimize their trauma, and provide law enforcement with the evidentiary documentation to successfully prosecute perpetrators. Their vision is a world in which every child and adult is free of abuse, neglect and exploitation and able to achieve his or her full potential for a healthy, responsible and productive life.

The Northridge Hospital Medical Center will be hosting its 9th annual Victory for Victims Walk/Run to raise funds to benefit CATS, to be held in Woodley and Lake Balboa Parks on Sunday, April 15, 2012.
